NO MORE BURNING SWEAT IN YOUR EYES

PATENTED
SEAL

SWEAT BLOCK

HOW DOES IT WORK

Center the yellow sweat block Seal against the skin of your forehead, 1/2" (12mm) above your eyebrows. Tie securely in back if necessary.

- 1 The DRYLINE[®] fabric absorbs sweat
- 2 Wicks and evaporates quickly
- 3 The Sweat Block seal channels sweat back and away from the eyes and face

Works great under helmets
